Accommodations:

- Our elegantly appointed condominiums bring the tropical flavor of Key West indoors, and offer you the luxury of truly having a "home away from home." All units offer two bedrooms, with a king bed in the master, a queen bed in the second, a sleeper sofa in the living room and two full baths. There are televisions, telephones and data ports in all rooms of your condominium. The fully outfitted kitchen opens onto the living room, with bar counter seating between. From your balcony, you may be able to observe the daily goings on of the many species of birds that inhabit the Salt Ponds Preserve or the activities of families and new-found friends relaxing pool side...or both, depending on location. In either instance, we highly recommend packing your binoculars. All Sunrise Suites Condominiums have the same floor plan and all are luxuriously appointed.
